

# DIOCESAN COVID-19 UPDATE

6 January 2022

- Changes in restrictions
- Covid cases

ANGLICAN  
DIOCESE OF  
MELBOURNE

Dear brothers and sisters

## Changes in restrictions

From midnight tonight, the 2sqm density rule applies for all indoor refreshments or meals in church facilities including before or after services and including weddings and funerals. Only fully vaccinated people can participate in indoor refreshments. The density limit does not appear to apply to church services.

## COVID cases

Numerous parishes have had people, including clergy, test positive having been in a service in the days preceding. We advise alerting parishioners to when that happens and reminding people not to attend church if they have any symptoms.

The website for the diocesan COVID pages is [here](#). If the question is not addressed there, please email (not text message) Bishop Paul directly: [bishoppaulbarker@melbourneanglican.org.au](mailto:bishoppaulbarker@melbourneanglican.org.au).

Grace and peace in Christ Jesus

Bishop Paul Baker
